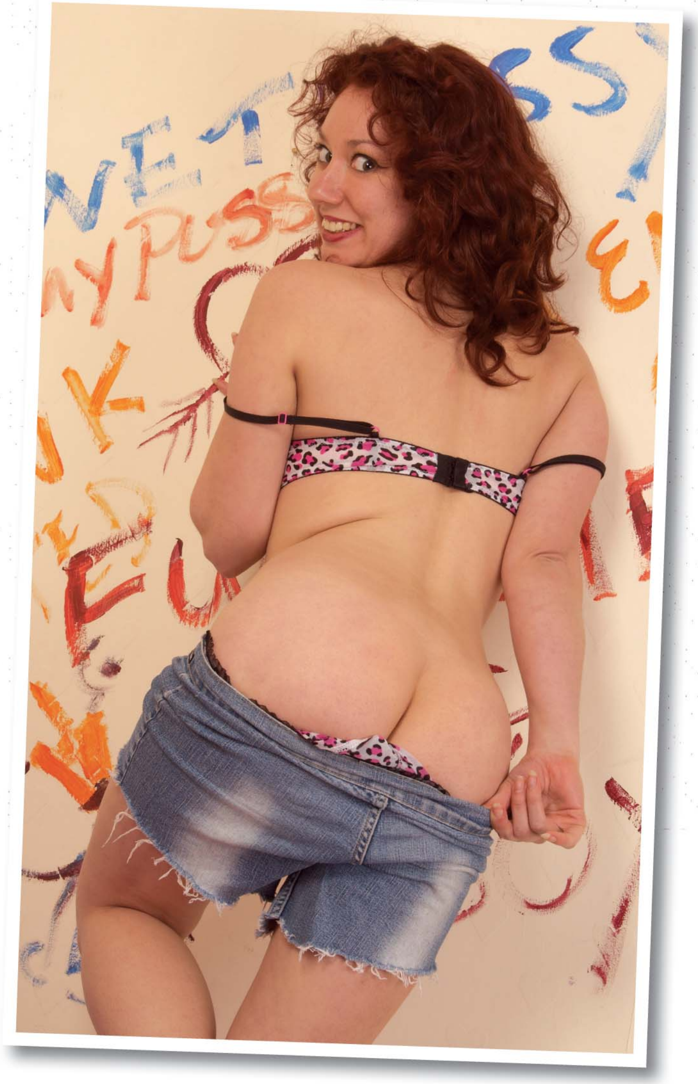
Sent to the punishment cock

Confessing to your husband can lead you down unexpected paths. Having a row one night, I told him I had shagged two guys a couple of weeks ago. He'd had no idea I'd been unfaithful.

A few days later he came up with a suitable punishment and took me for a drive to a 'dogging' area – a place where couples fuck in cars as blokes watch and wank.

I'd been instructed to dress like a complete bitch on heat and was to wear knee high boots, a short red PVC mini, a tight black top – and no underwear.

My husband switched on the interior light and wound down the windows so that any horny guys could reach in and rub or grope me if they wanted.



I heard footsteps and turned to see a man peering in.

Before I knew what was happening, hubby was pulling down my top to show the guy my stiff, rubbery nipples.

"Can I wank over you?" the man asked.

"Yes please," I replied, spreading my legs for him.

Hubby knew what I wanted and stabbed a finger up my sopping wet gash.

The man reached in for a feel and squeezed my tits. He did it gently at first, then got gradually rougher with them – just the way I like it.

I was in ecstasy and wanted more, so I turned over and stuck my arse out of the window.

"Do me now," I told the man.

He positioned his cock against my sopping wet cunt

and stroked it in and out of me as I screamed with lust.

Our little display soon attracted attention and my hubby called over another guy to watch me getting fucked.

By this time my cunt was like a wet sponge and the whole of my arse was sticky with juice.

The man finally withdrew and pumped his cum all over my PVC skirt.

I scooped up some of his sperm with my fingers and tasted a little, letting the rest dribble down my chin.

But this had just got me started. Suddenly I wanted more cock and I told the next guy who came along that my arse felt good and slimy with stranger's spunk.

"Let me fill it up for you," he said, so I pushed my bum back out of the window and spread my cheeks.

Guy number two licked my sodden holes. He slurped up my nectar and fingered my tight wet arse for size.

After a minute or so of fingering, he edged his fat cock into my puckered ring inch by inch.

I howled at the pain but hubby told me to take it and before long the guy was humping my shitter for all he was worth.

His balls slapped against my wet pussy with a 'thwa-cking' sound and my hubby kissed me on the lips as the guy blew his beans all over my arse.

"You're not finished yet," my hubby told me, and pointed to four other guys waiting outside for their turn.

By the end of the night my pussy and arsehole had been fucked so much that I was walking like John Wayne the next day. What a punishment!

KIMMY

"I'll have sex anywhere!" yells excitable little Kimmy (21). "And mostly have. I did it in a garden centre, in a bus station, in the milk aisle in a 24 hour Asda, on a Ferris wheel and lots of times in the back of my car. I even did it in a bedroom once but that was bloody ages ago!"

SONY

NATALIA

Never has getting an MOT been more of a ball-ache. Most of the staff were leaking "brake fluid" over these rough and ready pictures of Natalia moonlighting as a mechanic. "I'm very good with my hands. And my lips," she pouted. You can't get fitter than this Sticky Fit Slapper, as the old ad almost went.

Our real readers' letters sack!

Getting the birthday bumps

My name is Paula and I just love sex. In fact, I think I was born to fuck.

Gangbangs, threesomes, sex with strangers – I just can't get enough. If this makes me a slapper, then all I can say is I'm proud to be a slapper and give me more!

My husband Paul knows that I shag around and he does too. We fuck other partners but together me make lush lovely love.

I like watching Paul fuck other women as much as he likes to see me being fucked by other men.

For my last birthday he promised me a really special night. I knew it would involve sex, but was I in for a surprise!

Paul told me we were going to a party, but when we arrived there were about 30 blokes there and, surprise surprise, only one piece of pussy – me.

I was not intimidated, but already I felt my sex hormones raging and my pussy twitching. My hubby started to introduce me to all his friends.

But I told him to skip the formalities because I was only interested in their cocks. So after a couple of drinks a mattress was produced in the middle of the living room floor.

This excited me even more. Not only was I going to get a whole load of cocks, I was going to have a whooping

> **"I was going to get a whole load of cock and a whooping audience too!"**

audience as well.

I danced to the music as I slowly stripped off and so did they. In the excitement it seemed as if I was surrounded by a wall of lovely stiff cocks.

After a few minutes of teasing and tomfoolery a big coloured guy, to my relief, took the initiative. He pushed me down onto the mattress.

My ankles and wrists were grabbed by the other men and I was spreadeagled on the mattress. I felt totally vulnerable and open.

Not for long though. He was on me like a predator on its prey. His cock slipped up me as if it was a cruise missile homing in on its target.

He must have been over-excited, as he shot his load within a minute or two. But as soon as he withdrew he was replaced by another hard cock. Ram, ram, spunk!

It turned into a night full of wham, bam, thank you mams, but when you get one after another it means a lot of arse-gripping orgasms.

One guy even had the decency to satisfy a lady by sticking his rampant cock up my arse while I was astride another coloured cock.

I was also trying to suck another cock off at the same time, but my body was so wracked with pleasure all I could do was quiver.

I must have been doing something right, though, because the cock that was in my mouth suddenly exploded straight down my throat.

Now I had good creamy male spunk in all my important places.

This night of wanton fucking carried on all night. I couldn't tell you how many men fucked me that night, but it was fantastic.

I don't think I will ever get tired of sex in all its forms. I have also developed a taste for being butt-fucked – it's lush.

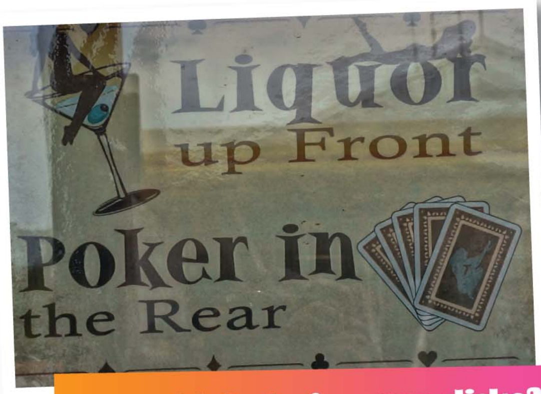
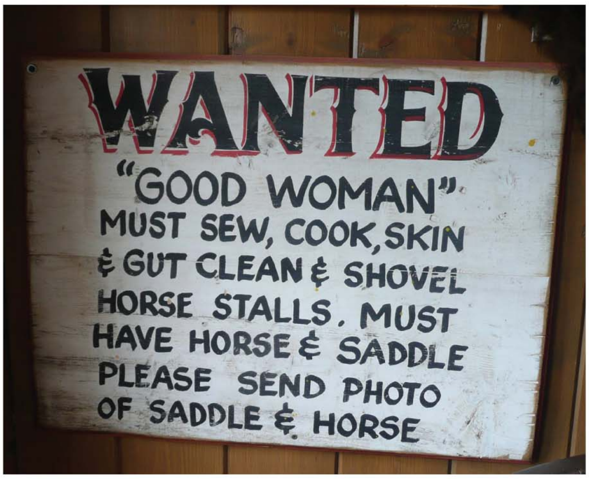
A blonde goes to see her doctor and says, "Doc, I think my breasts are full of water and it's leaking inside me." The physician is puzzled, "What on earth makes you say that?" The blonde explains, "Well, every time a guy squeezes them, my pussy gets wet."



Joe-Joe's schoolteacher starts the lesson and announces, "Today, class, we are going to learn about syllables. Can anybody give me a word that contains more than two syllables?" Joe-Joe puts up his hand. "Mas-tur-bate, Miss." His teacher smiles and says, "Wow, Joe-Joe, that's a bit of a mouthful!" Joe-Joe replies, "No, Miss – you're thinking of a blowjob."

Why did God give men dicks? So they'd have at least one way to shut their wives up.

A WOMAN HAD JUST GIVEN BIRTH AND HER MOTHER-IN-LAW HAD COME TO SEE THE BABY FOR THE FIRST TIME. "I DON'T MEAN TO BE RUDE," SHE REMARKED, "BUT THE BABY LOOKS ABSOLUTELY NOTHING LIKE MY DARLING SON." QUICK AS A FLASH, THE NEW MUM POINTED TO HER CROTCH AND REPLIED, "I DON'T MEAN TO BE RUDE, BUT THIS ISN'T A FUCKING PHOTOCOPIER."



A couple have been seeing each other for a few weeks before she finally invites him back to hers for a night of passion.

After having sex for hours, the guy suddenly notices a photo of a man on the woman's bedside table. Jealous, he asks, "Erm, that's not your husband, is it?" The woman laughs and kisses him on the cheek, "No, silly! I'm not married!" Still worried he says, "Is it your boyfriend, then?" Snuggling into him, she replies, "Nope, don't have one of those, either!" The bloke shifts uncomfortably, "Your brother?" The woman laughs, "I'm an only child!" The guy starts to get a bit pissed off, "Well, who the fuck is he? Tell me!"

Nibbling gently on his ear, she answers, "That's me before the surgery."

HONEY

She has a bit of a thing about sex on the kitchen table, so Honey shows exactly how she spreads for her hubby at breakfast time. The sex-obsessed spouse makes a beeline for Honey's pot and guzzles it like a randy Winnie-the-Pooh before he sidles off to work. "His tongue leaves me absolutely buzzing!"

TRUE CON

CHRISSIE HAS THE PERFECT HANGOVER CURE – AND IT DOESN'T INVOLVE RAW EGGS...

The last Fridays of the month are always a bit of a big deal at my workplace and a couple of lunchtime drinks at the office local generally turn into going on to a members' club in the afternoon and then drinking spirits until the early hours.

"I JACKED HIS MAN MEAT OFF VIGOROUSLY!"

So waking up the next morning at about 8:30, you can imagine how I felt! The problem was my boyfriend Noel hadn't been out the previous night and was due to get up for work. I could tell he was feeling horny as hell, and as he cuddled up to me, he nudged his hardening erection into the small of my back. As much as I wanted to give him what he wanted, I just felt terrible and could barely lift my head up from the pillow, moaning about my self-inflicted headache! He must have left frustrated, and I fell back to sleep for a few hours.

Waking up around lunchtime, I felt much better and suddenly found that I wanted Noel's cock badly! I was meeting him at the cinema after he had finished work, and all afternoon I couldn't get the idea of the sex I had forfeited earlier out of my mind. When I arrived, I kissed him so energetically that he was a little taken aback. "Feeling better, are we?" he questioned, sarcastically. I stuck my lower lip out, lowering my eyes apologetically and playing the 'hurt puppy' perfectly. He laughed at me, pulling me in for a hug, and I smelt his musky aftershave, making me just that bit more horny – and frustrated.

We took our seats and I leant right into him, running my hand forcefully down the length of his thigh. Sitting in the back of the cinema, I felt uninhibited enough to nuzzle and kiss the base of his neck. As the opening credits were about to roll, Noel's prick lengthened and thickened under my palm that was now up to his crotch. In the now dark cinema, I ran my hand up under his shirt, feeling his stomach quiver in anticipation. I undid the button on his trousers and, as quietly as possible, dragged the zip of his flies down.

Delving into his boxers, I grasped his rigid dick and started wanking it gently, rolling my fingers up and down the bent shaft and pulling the skin back, before pushing it back over his bell-end. Noel was looking around nervously, but as everyone was fixed on the movie, I gripped the base of his prick and levered it out of his boxers so it stood erect. As I began to toss him off freely, he leant forward; putting his

FESSIONS

elbow onto his thigh to obscure the view of his cock from the people about ten empty seats to our right. Having waited all day for Noel's meat, I jacked it off vigorously, cupping and stroking his balls with my other hand. He huddled closer and placed his hand on the back of my head and I knew what he wanted.

My head slid down his chest as I pushed my ass across to the other side of my seat until I was almost lying on my side. Looking up slightly, his shadowed prick was framed by the glow of the screen and I lashed my tongue against it. Clamping my mouth sideways around his pole, I ran my tongue up to the tip of his dick and felt the soft foreskin against my lips. I lifted my head up and over his bell-end, then drove my mouth down over the shaft until I felt him against the back of my throat.

Noel instantly wrapped his arms around me, hunching further forward, mainly to hide what was going on, but also so that he could whisper his dirty thoughts to me, one of his favourite things to do. "I'm going to come in your mouth, you horny bitch!" he began, quietly into my ear, to which I swiftly responded by slipping my lips from his shaft. "What… What are you doing?" he stammered, desperately, as I sat back up in my seat. I smiled at him, wickedly, and whispered, "I've been waiting all day for that in my pussy, and that's where it's going to go!"

Looking around the cinema sharply, I saw the girl in the couple to our right look quickly back to the front but noticed that everyone else was caught up in the film. I thought about being more discreet (where's the fun in that?), but rather than thinking of taking it to the toilet, I merely felt under my skirt, pulling my panties over my thighs and down past my ankles, before making my move. With Noel still hunched over, and gripping his dick, I arched my leg right over his lap and held onto the back of his seat with both hands, ready to mount him.

Pulling my knees forward and together slightly to fit into the seat, his swollen head popped into my pussy, as the explosions from the action scene sounded behind me. My cunt was sopping from the excitement of it all, and I could tell Noel was biting down on his lip to stop himself from spraying inside me too soon. He pulled me closer and looked over my shoulder, focusing on the movie to further prevent any accident, whilst I ground my twat hard onto his dick. The angle I had created was stimulating my clit and I took one hand away from the seat to frig myself.

Noel responded by opening my butt, and slipping his index finger into my tight, puckered anus. This was just too much and, letting out a soft growl of pleasure as I buried my face into his neck, I drenched his shaft with my juices as I climaxed heavily.

Noel responded by draining his prick into my dripping twat, his mouth fastened around my still-clothed tit as he did, to muffle his moans of pleasure.

Recovering my composure, I suddenly became very aware of the silent cinema and the outrageous position I was in! Needless to say, we didn't stay to the end of the film, getting out of there as soon as we'd gotten ourselves decent again. Although we both enjoyed our risqué little encounter, we decided that next time it may be safer to get it out on Blu-ray!

“If you beat me you can fuck me!” grins ‘breaking bad’ Ashley, who hasn’t won a game of pool for a couple of years now. Not that it doesn’t stop her trying! “And it’s winner stays on so you can do me as many times as you like, in as many, er, pockets as you like! Now, which am I again, red or yellow?”

Wife's nuts for forbidden fruit

I have read *Razzle* for years but never thought I would have a story to send in. Now I have and it's all thanks to Jade, who is now my wife.

About a year ago I got it out of her that it was her biggest fantasy to have a massive cock sliding up her fanny.

"But that would be unfaithful," she said, very seriously.

"It's hardly infidelity if I'm in the same room," I replied. "Look, if I arranged it, you could stop things whenever you wanted and no-one would get upset."

"Well, if you put it like that...." she said.

Bingo! Soon I was searching swinging sites on the internet and soon found Jerry. He was 35 with a big cock. He also seemed a nice guy when I met him, prepared to go at Jade's pace.

On the night, she was nervous, but agreed and was changing when the bell rang. Jerry came in and I made him a drink.

Then Jade made her entrance. She was in a PVC skirt and fishnets. She sat next to Jerry and I could tell instantly she liked him.

He began stroking her face and hair while talking to her. His hand disappeared down her front, and I could feel the hard on in my pants grow as I watched from the settee opposite.

As I unbuttoned my trousers, Jerry was taking off Jade's top and moving his hands over her pert tits.

Next he hoisted up her skirt, exposing her juice-stained knickers.

Then she lay down on her back in front of the fire and threw her hands behind her head. Then Jerry and I kissed, licked and nibbled her all over, till she was electric with anticipation.

Jerry lifted her legs up. "Can

> "He hoisted up her skirt, exposing her juice-stained knickers"

"He grabbed her hips and drilled his fat cock into her arsehole. It was too much..."

I touch it?" he said. "YES, please touch it," she moaned. His fingers teased the length of her sopping wet cunt as she tried to buck against him. Then he suddenly plunged his fingers deep into her.

This was enough to make her cum noisily and she collapsed on her back.

After she had recovered, Jade pulled out Jerry's cock, marvelling at its size. She began to wank him hard, pulling his foreskin back to expose his helmet.

I began to wank myself as she ran her tongue down the length of his cock and sucked one of his balls. Then she took his whole cock in her throat until Jerry couldn't hold back. He grunted and shot into her mouth. Jerry pulled out and Jade wanked him frantically over her face. Jet after jet of hot milky cum spurted over her face, in her hair and down her neck between her tits.

Then she spent the next 10 minutes licking his cock clean and hard again.

"Right Jerry," she said. "I want you to fuck me as rough and as hard as you like, right now!"

He didn't need a second invitation and flipped her onto her back with her legs spread. With one move, he drove his massive dick into her tight cunt. He fucked her hard for ten minutes straight, her nails in his back.

Then he ordered her to get on her hands and knees. He grabbed her hips and drilled his fat cock into her arsehole.

This was all too much for me and I positioned myself on my knees in front of her. She hungrily took my cock in her hot mouth.

Jerry's pace was frantic. "Can I cum inside you?" he gasped.

"Yes, fill me up!" she cried. That was enough to send me over the edge and I began spraying cum into her mouth.

Now Jade began cumming and Jerry groaned, filling her arse with cum as I fucked her mouth. We all collapsed in a heap, cum running from Jade's mouth and arse.

When Lucia Love messaged us on Twitter and told us she was desperate to get her tweets out in Razzle, we worked out what the hell Twitter was, then brought her to Raymond Towers pronto. "You guys got me so horny. Could I have a job here?" Perhaps as our New Media Manager?

JULIA JONES'S MONTHLY REVIEW OF THE BEST SEX TOYS AND KINKIEST BEDROOM AIDS

big fat cock sheath extender

This cock extender will reinvent the orgasm for you. Made from flexible PVC, slide it over, letting it 'hug' your cock and bang away until you shoot your load right out the open end and into your missus's cunt, mouth, wherever. It will add two-and-a-half inches to your cock and keep it rigid and ready for some serious action.
Available from www.uberkinky.co.uk for £21.99

tantus ball gag

Sometimes you just want your partner to shut the fuck up. It's not that you don't love 'em anymore, more that you're just done with hearing their groans and moans everyday. To save offending them too much when you want a bit of quiet, pull this one out of the bag. As far as gags go, this is a pretty good one – mainly because it's tasteless and odourless. It's also very comfy as it has an extra-wide strap, something that makes quite a difference when you are not in a position to protest! Comes in black or pink.
Available from www.uberkinky.co.uk for £21.99

lelo luna beads - kegel balls

I haven't read the latest soft porn bestseller, Fifty Shades of Grey. It'd be about as effective as reading Spot the Dog for a sex lush like me. However, I have been intrigued by the sudden sell-out of the Lelo Luna Beads (Kegel Balls) referenced in the book which have been flying off the shelves and into the bedrooms of desperate and horny housewives across the country. Although not designed for mind-blowing cum fests, they serve an important and practical purpose of keeping you tip-top-tight and fighting fit down there. Wearing them sure as hell beats going to the gym!
Available from www.passion8.com – down to £25.99

happy rabbits

Forget Floppy, Skippy and even Jessica – Lovehoney have launched their very own bunnies and named them Natural, G-Spot Reachable and Realistic. Packed with three vibrating motors a piece, these rabbits work amazingly well inside and out, meaning you can concentrate the ears on your clit and/or go for full penetration with little effort. With over five inches of insertable length you'll be satisfied but not over-stuffed. Requires an initial six hour charge for two hours of play – you'll hardly be able to contain yourself! You control it with just two buttons, making it easy to focus on your orgasm, and it's really quiet considering the power it has. Pricey, but worth it.
Available from www.lovehoney.co.uk for £49.99

TONI

How could you not be a horny little harlot with boobs as big and bouncy as this? "It does mean I get complimented and propositioned a lot!" grins 20-year-old Toni who luckily can live up to the hype. "I'm told my tit wanks are amazing and I always lick the spunk up after!"

EMMA

Curvy cutie Emma is a bona fide Essex girl. “It’s true what they say – we’re all right goers. We’re right terrors on the pull together. Our favourite Saturday night treat is for four or five of us girls to bring one bloke back to the flat and fuck him senseless all night long. The poor fucker leaves bone-dry but very very happy!”

Brandon & Susie

I'm a single white guy who makes porn for a small producer. I like to swing and have a massive cock and, being in my position, it means that I get more than my fair share of pussy. I'm a big fan of *Razzle*, so I thought I'd write a letter to you guys about one of my most recent, and exciting, experiences. I know that a lot of white women fantasise about having a porn star and if I'm honest I do take advantage of that fantasy to get laid, but I haven't had any complaints yet!

I got into the swinging scene by accident, when a woman at a nightclub invited me back to her place and it turned out that her husband liked to watch blokes fuck her– and was waiting for us both when we arrived. I was a bit freaked out when I first realised the score, but after thinking about it for a minute I just figured it was horses for courses and I wasn't going to turn down a shag! They later invited me to a club and it has kind of grown from there. Now there are a few couples that invite me to join them from time to time, and it means that even if I don't go to a swinging club, I'm never left wanting for a fuck.

"She sucked me off while she felt around for the two cocks on either side of me"

Recently I've been spending a lot of time with Susie, who has always had a thing for well-hung guys, apparently. She's married to Duncan, a local dentist, they are both in their early 40s - I'm 28 - and Susie's in pretty fit shape. She's a blonde with full tits and a great arse – which she's no stranger to taking a cock up, either. She's basically a bit of a nympho, and Duncan is happy for her to have other guys, as long as nothing goes on behind his back – whether he joins in or not. Well, the three of us get on as mates as well as being fuck-buddies, so it was only natural for Duncan and I to get together to cook up a birthday present for Susie last month – and pretty mind-blowing it turned out to be, too.

On the night, Duncan blindfolded Susie and brought her round to my flat, where myself and three of my mates - Mike, Anton and Luke – were waiting. Susie knew that something was up, but she's a really game girl and trusts Duncan, so she knew it'd she'd be fine and just went along with it. Duncan put his finger to his lips, motioning for us all to keep silent and began to slowly take her clothes off, one item at a time, giving us all a show. Once she was naked, he stood her in the middle of my lounge and told her not to take the blindfold off. Then he started to strip his clothes off himself, which was our sign to do the same, as quietly as we could, so as not to give the game away too soon.

Susie knew that there was something going on – she'd have been stupid not to, given the noise we were all making – but as she groped around in the darkness, we all made sure to keep out of reach of her fingertips. When Duncan had made sure we were all in the buff, he motioned for us to line up on one side of the room. He then stood in front of Susie and grabbed her hands, running them down his front to feel his bare torso, before leading her towards the rest of us and letting her hands go and joining us, so she was once again blind. Susie held her hands out in

front of her, feeling her way closer to us, and grinned wider and wider as she came across stiff cock after stiff cock. I think she deemed it a nice surprise!

None of us men said a word, but Susie recognised Duncan and myself from the shape of our cocks – something I think Duncan may have been secretly relieved about! Susie laughed when Duncan admitted she was correct, and said, "Now this is what I call a birthday pressie!" before pulling me towards her and lowering her warm lips down over my cock as she sank to her knees.

I let out an involuntary moan as she sucked me off using just her mouth, her hands feeling around until she grabbed hold of Duncan and Mike's dicks, who were on either side of me. As started to wank them off and find a rhythm with her mouth, Luke knelt behind her, reaching under her arse to finger her fanny and Anton just stood at the back, getting off on watching what was going on, waiting his turn.

The five of us had agreed beforehand not to speak to each other, or Susie, as we figured that would increase the thrill for her, and so at first there was near silence in the room, broken only by the occasional moan or sigh of pleasure and the sounds of sex – Susie's mouth slobbering around my cock and her juices squelching between Luke's fingers.

After a couple of minutes, I pushed her mouth off my cock and pulled her to her feet. Anton was already lying back on the floor, wanking away, so the four of us led Susie over to straddle him and guided her to her knees. She caught on pretty quick, and soon she was impaled on Anton's huge, vertical boner, yelping and groaning as he pushed inside her, stretching her tight fanny as his big prick hit home. He raised his arms to support her and Duncan started to frig her clit as Mike, Luke and myself sucked on her tits and took it in turns to thrust our cocks into her mouth.

Susie was gasping, grinding against Anton's pelvis as she moved up and down his shaft. As she took every inch of this thick cock inside her, it was obvious to us all that she was climaxing; her body was glistening with sweat, her breaths now coming in short gasps and her legs trembling. As Susie lost herself in her orgasm, Anton grabbed her hips and pummelled away at her pussy hard, until he, too, came, pulling out and shooting his load all up Susie's back.

Quickly wiping up the mess and moving her onto her back, Duncan propped Susie up on some pillows and motioned for me to go next to give his wife a good fucking. My cock was aching to cum so I wasn't about to argue and I moved between Susie's legs. Positioning the head of my big dick at her pussy lips, I parted them slowly as I pushed my way inside, then slammed my entire length home, causing her to yelp loudly. I glanced up as, again, Duncan's hand slipped down to play with his wife's clit, and the other three guys took it in turns to suck on her tits and shove their members into her awaiting mouth.

This was such a horny sight, and Susie's cunt was so tight, that I began to bang away as fast as I could, a little moan escaping her lips with every thrust. As I fucked her for all I was worth, I managed to cause the blindfold started to come loose, and she could finally see just how many men she was servicing. A broad, dirty smile played around her lips, and she pulled away from

the cocks that the three of them were offering her.

"Stop fucking me, Brandon! I want all of you to get in a circle around me," she ordered, taking charge now, and pulled herself away from me so that she could crouch in front of us. We gathered around her, and she sat back on her arse and began to play with her dripping hole, looking at each of us in turn. Now, that was a sexy sight! "I want you all to wank off over me at once," she said, "I want to be completely covered in all of your sticky cum."

None of us needed any further encouragement and we all started to whack off, our cocks already slick with her spit – and, in mine and Anton's case, a liberal spearing of pussy juice, too! It didn't take long before we were all firing off our loads across her face and chest, leaving long strings of spunk all over her body. Susie came too, on the end of her own fingers, before gathering up the spunk with her hands and licking them clean – all the while looking right at us, as if to prove that she really was a filthy little slut. It was incredibly horny, and I quickly felt myself getting hard again. Needless to say, a couple of the other guys were in the same position, and once Susie had a few minutes to recover, she made sure that every one of us was left more than satisfied!

CHARLIE

What is it about a girl wearing a man's shirt that turns us on so much? It's the kind of cross-dressing we're comfortable with (erections and tights don't mix). Nothing's quite as well-tailored as Charlie's perfectly puckered pussy and bottom though. We'd certainly like to give her a bespoke balling!

TRUE CON

REVENGE IS A DISH BEST SERVED BOLD, REASONS BORED GIRLFRIEND REBECCA

I've been going out with my boyfriend Noel for about six months, now. He's really nice, but he's so busy with his career that whenever we plan to do something fun, it always gets cancelled at the last minute. One day last month, though, I was actually glad that he was made to stay late in the office by his boss!

Noel had decided to make up for weeks of working really hard by taking me out for a night at the theatre, followed by a posh meal. What's more, he'd even splashed out on a theatre box, a very rare treat indeed. Everything was going fine: I'd got to the theatre early, dressed up to the nines in a black dress and killer heels, and pre-ordered our interval drinks. And it was just as I had finished doing the latter that I got the inevitable call – he'd have to cancel.

I was so furious that my immediate thought was to get some revenge on my absent boyfriend. It was still a few minutes before the curtains went up; I looked round to see if there was anyone I could flirt with during the play. To my surprise, though, it was a girl that caught my eye – one of the programme sellers. She was dressed in the theatre uniform, but had managed to make it look really quite sexy – her black skirt was short, she had on a tight white shirt and, if I wasn't mistaken, a black bra underneath barely containing two massive breasts. I've always fancied women as well as guys, and just looking at her made my clit start to tingle. I got even hornier a bit later when she knocked on the door of the box Noel had booked. I wondered if she'd seen me eyeing her up because as she told me she'd be back with ice creams during the interval, she gave me a really flirtatious smile. I could've sworn I saw her eyes dart towards my ample cleavage, which made me grin at her just that bit broader.

The next 45 minutes lasted for ages. My fury just made me all the more wild, and I was determined to get my own back on my useless boyfriend by behaving as badly as possible. Just before the end of the interval, there was a knock on the door and the programme seller slipped in. Close up she looked even

"I LICKED MY JUICE OFF HER PEACHY ARSE!"

FESSIONS

prettier than I'd thought, with little freckles speckled across her cute nose – and I hadn't been wrong about the size of her tits. But before I could even worry about how to break the ice she asked why I was on my own, leaving the way open for me to ask if she wanted to join me and watch the play for a few minutes.

Both of us knew, though, that we weren't going to see much of the second half and the sexual tension between us was unbelievable. Damn, I wanted this woman! As soon as the lights went down and she was sure she couldn't be seen, she slipped into the seat next to me. I reached a tentative hand out and started to caress one of her tits and her nipples immediately responded to my touch by growing and stiffening somewhat. She leant back on the chair, hitching her skirt up a little so I that could see the top of her stockings and the first few strands of her pussy hair, making my juices begin to flow. The temptation was too much and I moved my hand down from her tit to her hot, welcoming pussy. It was sopping wet. For a moment I wondered if she made a habit of seducing random theatre goers but, to be honest, I really didn't care – especially at that moment!

By now my left hand was busy rubbing at my own throbbing snatch while I explored her tight, fresh hole with the other. In desperation, I pulled her lithe little body down onto the floor of the box, not caring what the people in the box opposite were thinking – I just needed to taste that streaming pussy. Her legs spread and her back started to arch up against me as she invited me to suck at her pounding clit.

I was so horny I started to poke my tongue up her arse crack – something so taboo to me that I'd never even done to my boyfriend. It felt amazing, but incredibly naughty, to stick it into that super-tight, musky tasting entrance, feeling her relax more and more as I probed further up, using my tongue like a dick. As her sphincter muscles allowed me to penetrate her, I swapped my tongue for my index finger, pushing it slowly inside her, enjoying hearing her gasp as my knuckle disappeared into her bum.

Then, as I began to finger-fuck her, her moans matched my rhythms – softly yelping with pleasure as I pushed inside, then moaning as I pulled out again. She was certainly enjoying herself!

Turning my attention back to her lovely cunt, I licked the length of her slit, dipping into her snatch-hole and lapping up her warm wetness before moving up to her clit and circling it. The play was definitely reaching some sort of climax as my new friend began writhing beneath me, her pussy juice gushing into my open mouth and down her crack as she squirted, catching me off guard. I licked it all off her peachy arse before crouching down over her face and encouraging her to return the favour, gagging for my own orgasm.

By now, the audience were applauding the actors and it just added to my excitement as she sucked and licked frantically at my pussy. As I came I felt like the audience were all clapping their appreciation at our great performance as we writhed on the floor of the box, and I couldn't help thinking how surprised they would all be if they knew what was going on above their heads! Thank fuck they didn't, or I would've been thrown out and my mystery date would've been sacked. I had an amazing night and I'm so glad Noel couldn't make it. I told Noel I thoroughly enjoyed the play – so much so, he's organised another night at the theatre to make up for his absence, including the booking of another box. I'm just hoping he has to work late again!

Addicted To Cock

Released by: Private Movies
Starring: Rebeca Linares, Maya Gates, Holly Wellin, Jordan Jagger, Kissy Kapri

BEST BITS: Five cracking anal scenes – our standout favourites being the opening boy-girl scene featuring beautiful Alexandra Diamond and the threesome with two blokes and Spanish stunner Rebeca Linares. Rebeca, in particular, gives an outstanding performance, yelling and screaming her way through double-blowjobs, reverse anal cowgirl and a couple of DPs, before enthusiastically having the guys come on her arse and face, respectively. The only girl-girl-boy scene pairs the delectable Holly Wellin with the equally curvaceous Jordan Jagger in a mouthwateringly naughty tryst. As well as a dominant Holly leading Jordan around on a lead, barking orders and talking dirty, the scene also sees plenty of sloppy oral and anal, with the stunt-cock earning his wage, popping his wad twice. The sight of Holly doing Jordan up the arse with a strap-on as she gets a prick in her pussy will get you reaching for the tissues…

WORST BITS: The threesome with Abbey Brooks and Maya Gates was a bit of a disappointment: we weren't entirely convinced that the babes weren't just thinking of their pay cheque. Harsh? Perhaps just a little.

Touch Of Spice

Released by: Viv Thomas (Girlfriends Films)
Starring: Cipriana, Kitty Kat, Lana, Mira Sunset, Viktoria Diamond

BEST BITS: Five scenes of what Viv Thomas does best: slick, well-lit, couple-friendly porn, with some of the sexiest new European stars showing they know how to handle a bratwurst or two. She may have a questionable moniker, but perfectly formed Kitty Kat's portrayal of an virgin popping her backdoor cherry is filthy and well worth an instant rewatch. Beautiful brunette Cipriana lives up to her rising reputation porn's new princess, fucking and sucking legendary cocksman James Brossman into oblivion. Lucky bastard.

WORST BITS: Stilted dialogue but the girls shouldn't be talking their mouths full anyway.

DVD FEATURES: Trailers for other releases, website info, the usual bare minimum.

OOOAAR!

Rich Teen Sluts

4/5

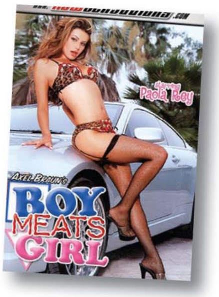
Released by: Bluebird Films
Starring: Carmen McCarthy, Kylee Reese, Nicole Ray, Chastity Lynn, Addison Cain

BEST BITS: The best bit of any movie featuring *Penthouse* babe Carmen McCarthy has to be Carmen McCarthy! True to form, the American honey is sex on legs – especially as she spreads her pussy lips and begs to be fucked. Pocket-sized cutie Kylee Reese may look all sweet and innocent, but she is dirty! After making sure her guy's dick is clean of her juices after each position, she encourages him to shoot over her pussy before scooping it up with her fingers and licking them clean. Chastity Lynn's oral skills also deserve a mention: we've never seen such determination where cock-swallowing is concerned – not that she ever actually manages to make it all disappear, but she has a damned good try! If you like your women cute, young and fit, with pert boobs, and your porn with plenty of chemistry and POV shots, then you could do worse than this.

WORST BITS: Although the idea of fucking the arse of a little rich bitch has a certain appeal, we just couldn't get past the bitchy, demanding manner of the laydees. It does, however, say a lot for the acting!

DVD FEATURES: Photo gallery, cumshot recap, trailers and the usual info. Not bad at all.

Boy Meats Girl



Released by: Digital Sin (New Sensations)
Starring: Sativa Rose, Tory Lane, Paola Rey, Dani Woodward, Delilah Strong, Roxy Sweet

BEST BITS: This is the first in a series of the Boy Meats Girl series, and the original is definitely the best. The opener sees the fantastically foul-mouthed Tory Lane taking a load over her pretty face, and that's just for starters! Brazilian superbabe, Paola Rey may also get a facial or two, but gives the performance of her career prior to that, taking on two huge cocks and fucking them raw. The chemistry between 'blow-job' lipped Mexican Sativa Rose and her two studs is scorching, and makes for an explosive scene, with Sativa getting spitroasted before swallowing one wad and getting plastered with the other.

WORST BITS: We're struggling to find one… We'll get back to you!

DVD FEATURES: An extensive gallery and slideshow, trailers, a great behind-the-scenes feature and a horny bonus scene. Sweet.
